Return Policy: Motherboards, memory and processors must be returned within 7 days for refund. All other items that are returned or exchanged for different items are subject to a 20% restocking fee. We may, at our discretion only charge a 5% restocking fee provide the item is return with non-ripped packaging in un-used condition. Items must be returned with a receipt. No returns or refunds on consumable items, printer cartridges, services, or items returned incomplete or without all original packaging. All returns over \$25 are either credited back to the customer's credit card, or issued a company check within 14 days. Items that store data, like computers, require us to do extra work to resell them, these items will need to be checked and cleaned before we can resell them, we charge our current rate to do so and that amount will be deducted from refund.
